A. Administrative Briefing

1. The Pre-Bid Conference for the Procurement Project Repair of Scmetz Vacuum furnace with an ABC amounting to Php2,800,000.00 was originally scheduled on June 05, 2019. However, due to the Malacañan Palace Proclamation No. 729 which declares June 05, 2019 as a regular holiday throughout the country in the observance of Eid'l Fitr (Feast of Ramadan), the activity was resumed on June 06, 2019, the next working day.
2. The Chairperson of the Bids and Awards Committee presided over the conference.
3. Only representatives from Trident Dynamic Solutions, Inc. attended the conference.

4. Engr. Kathleen Donnah P. Reotutar, C, TWG III presented the briefing on the bidding procedures. After which, the bidder was given the opportunity to raise their concerns as shown below. Likewise, salient points were given emphasis, to wit:

B. Issues and Concerns

Prospective Bidder's Concern	BAC / TWG Response
Representative of Trident inquired if the items not included in the repair are still covered by the warranty.	Mr. Cruz replied that only parts included in the repair of the project are covered by the warranty.
Representative of Trident Dynamic Solutions, Inc. asked about the duration of warranty period as the parts will be originating from foreign manufacturer.	For this project which is repair of equipment, warranty and retention payment is one (1) year from acceptance. Correction of defects is sixty (60) days upon receipt of notice of rejection.

5. A supplemental / bid bulletin shall be posted and issued for necessary amendments.
6. Having no other matters to discuss, C, BAC adjourned the meeting at 2:15 P.M.
